

Heal Our Harbor, Inc.SM

We Work For Clean Water

The Peace River Botanical Gardens and Heal Our Harbor
are pleased to announce an **Educational Series**
to be held on the grounds of the Gardens

Discovering and Enjoying the Wildlife of Charlotte Harbor

The series kick off on **November 18, 2025** with
Charlotte Harbor's Diverse Fish Community

Following on **December 2, 2025** is
Birds and Birding Around Charlotte Harbor

We conclude on **January 20, 2026** with
Marine Mammals and Invertebrates

Each 90-minute session runs from 10:00 – 11:30 am
and highlights the interesting life forms and the roles they
play in Charlotte Harbor.

Each session is independent.

Attend whichever seminar sparks your interest or
attend all three!

The seminars are **FREE** with admission to the Gardens.
Reserve your space by going to the PRBG Events
Calendar: <https://tinyurl.com/3c2pehdu>, and select 'Heal
Our Harbor' on the date of the seminar you wish to attend.

Come join us for an educational, fun time!
